Dear Commissioner Holloway

Re: Request Meeting for Concerned Residents with Police & Crime Commissioner

At the Parish Council Meeting on 8th January, Councillors received enquiries from residents concerned about the increased crime levels within the village.

The Council has requested that I write to invite you to meet with Barton-le-Clay residents in order to discuss their concerns over the rise in crime generally in Barton, but especially thefts of/from vehicles and burglaries/thefts from domestic and commercial premises. Residents wish to understand what Bedfordshire Police intends to do to reduce the crime rate in our village.

Please can you let us know your availability to attend an evening meeting at Barton-le-Clay, we can then book a venue.

We understand that a similar meeting you held at the STMA Hall in Shefford was fully booked and would appreciate receiving a copy of the 11th January 2018 Shefford residents meeting minutes.

We look forward to hearing from you.

Yours sincerely

Ann Merryweather
Clerk to the Council
